December Recap

Tree Lighting

We would like to thank everyone who came to the Tree Lighting Ceremony! It was a wonderful way to begin the Holiday Season with our community!

We would like to especially thank all of our partners that made this event possible. John Paul II for providing splendid carols, Pastor Eric Clark of Creative Church for the uplifting Christmas message, Mary K. Horton for reading "The Night Before Christmas" to everyone, and lastly to Santa Claus for taking the time out of his busy schedule to visit all the kids of Hardeeville!

Employee Christmas Party

We also had the chance to celebrate the Holiday season together as a whole staff! Last Friday we had the City of Hardeeville staff Christmas Party! It was filled with great food and plenty of laughs.

Santa's Toy Box ^{*Update}

Santa's Toy Box was a great success!!

Through the generous donations of our community, Sun City, Hilton Head Lakes, Palmetto Whole Sale, and many other partners. We were able to collect over 1,000 toys for the children of Hardeeville!

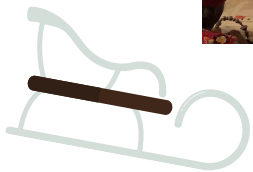

We handed out a wrapped gift to every child that currently attends Hardeeville Elementary which is around 700 students. All the other gifts were used to benefit other local families through organizations such as Agape Family Life Center, Creative Church, St. Stephen's AME, and St. Anthony's Catholic Church.

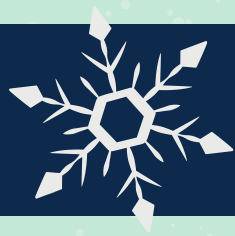

We appreciate the generosity and giving hearts of our community. For you all have allowed us to be a helping hand to so many families during this time of the year.

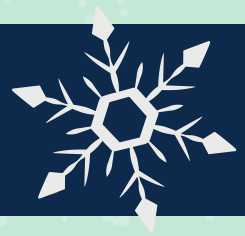

Mayor's Senior Luncheon

Mayor Williams, his wife, and City Council recently hosted the annual Senior Christmas Luncheon it was a delightful time of fellowship, friends, and fun for our local senior citizens around the Christmas season! A special thank you to our volunteers who prepared and serviced the meals.

Basketball Court Upgrades

New Resurfaced & Covered Courts!

Planning is underway to begin construction on upgrades to the outdoor basketball courts at the Richard Gray Complex Park. In April 2019, City Council awarded Barrs Recreation LLC a bid to resurface both existing basketball courts and add two new covered shelters over them.

The project is expected to begin in January of 2020. We will keep everyone updated via social media sites for court closing announcements as well as signs posted a few weeks

prior to construction.

Make sure to follow us to stay updated!

Recreation Center Progress

There is great progress happening with the New Recreation Center!

On the corner of John Smith Rd. and McTeer St. there is a lot happening. The City of Hardeeville's New Recreation Center is beginning to be built, the site has been cleared and the project will continue to progress in 2020!

For more updates on the build, follow us on Facebook and Instagram to stay up to date on the progress!
